

Letter of Intent—Please return only ONE copy per family.

It is time to begin our enrollment process for the 2017-2018 school year. In order for us to anticipate the enrollment numbers we need to know if your student(s) will be returning next year. **In addition, if you have a kindergarten student or another new student to enter, please indicate that at the bottom of this form.** Siblings are always given preference over general enrollment applications.

It is important to have this form in by the deadline listed below. We will begin enrolling new families after you have declared your commitment. Please feel free to tell your friends, family, and neighbors who may be interested in enrolling their children here at Edison South. Enrollment applications will be available online or at the office.

Information regarding the random drawing rules and procedures is available online at www.thomased.org or at the school office.

We have many new families anxious to enroll students in our school. If there are changes in your family plans, please let us know so we can release your place to a new family.

Please return this letter to the office by Wednesday, **January 11, 2017.** *If we do not receive this form by the due date, the school will assume your child is not returning for the 2017-2018 school year and the place will be given to a student from the waiting list.*
